Health History

Valley Professionals Community Health Center (VPCHC) uses a team-based approach to healthcare thatworks at improving care by providing comprehensive and continuous medical care. Our comprehensive care covers prevention and wellness, acute and chronic care as well as mental health and dental. In order to provide the best patient care possible, it is essential that the information below be provided to ensure your healthcare team understands your specific health concerns/needs. Each patient's provider and care team work to support the patient in learning to manage and organize their own care. In addition, the care team coordinates patient care with medical facilities, hospitals, home health and community services to ensure continuous care.
